

To be eligible to win the \$50 in free gas, follow these simple steps:

1. Go to www.abccompany.com
2. Follow the link to the Carrier website
3. Complete the Health Risk Assessment
4. All results are confidential. The Carrier will provide the names of all (employees and dependents) who have completed the appraisal so we can track who is eligible for the drawing.

You must be insured through ABC Company to be eligible.

There is no cost to fill out the Health Risk Assessment.

For every 100 people that fill out the Health Risk Assessment, there will be a \$50 gas credit card randomly awarded.

This includes employees and dependents.
